

Who do I contact about my child's ears?

For a hearing test contact BSW Children's Community Audiology Service

Health or education professionals and parents or carers who have concerns about a child or young person's hearing can refer using a form on our website. They must be age 0-16 (or 0-19 with special education needs). The GP must be within BSW (Bath & North East Somerset, Swindon and Wiltshire).

For treatment of an ear infection contact the GP

They can assess and treat the ear infection. If infections are frequent they can discuss with you whether referral for an Ear Nose Throat opinion would be recommended.

For ear wax removal contact the GP

They can assess whether wax is blocking the ear and discuss with you if referral for an Ear Nose Throat opinion would be recommended. If it is unclear whether the wax is blocking the ear, the GP can refer for a hearing test.

For Ear, Nose Throat (ENT) contact your local ENT Department

They can answer queries about an ENT appointment or surgery.
